

# FAMILY

## & Community Learning

Children's Museum of Atlanta  
is partnering with  
Georgia Public Broadcasting  
for Family & Community Learning  
(FCL) workshops where we guide the  
learning each night while families eat  
dinner, explore PBS KIDS media, and  
think like scientists together!

### What is FCL?

- A free, fun, four-session workshop series
- Designed for families with kids in Pre-K, Kindergarten, or 1<sup>st</sup> grade (plus brothers and sisters!)
- Dinner is provided.
- Families who attend all four nights get a special treat!

This effort is part of a five-year Ready To Learn grant through CPB, PBS and the U.S. Department of Education's Ready To Learn Initiative to advance new tools supporting personalized and adaptive content for children and families, establish a network of community collaboratives, and conduct efficacy research on the educational resources.
