Virtual & In-Person Programs

MUSEUM ON-THE-GO: NOW AVAILABLE VIRTUALLY OR IN PERSON

The Museum can now come to your classroom virtually or in person!

The Museum can now offer you two options for receiving our great programming: our educators can come to your classroom in person or through highly interactive virtual presentations.

Geared for students in Pre-K through 3rd grade, all workshops include activities that meet GELDS standards and Georgia Standards of Excellence. Programs also include hands-on engagement and a take-home activity for students. Activities are designed to meet the developmental needs of students at each grade level.

All programs are led by the Museum's professionally trained educators, and are designed to support your curriculum and bring learning through play into your classroom in fun, hands-on, immersive ways.

MUSEUM ON-THE-GO PROGRAMS

All programs currently available virtually. Available in person from September 27, 2021.

AWESOME ARCHITECTURE

Children are natural problem-solvers and have a love of trial and error. Stimulate your student's natural curiosity by giving them the opportunity to create a fun structure during this awesome building activity? This program encourages creativity using math skills with engineering to produce great structures!

Key Performance Standards Met

GELDS: APL1, CD-CR2, CD-MA6, CD-S1, CD-SC4

Georgia Standards of Excellence: SKP1, SKP2, S2P2, S4P3, MGSE1.G.3, MGSE3.G.2

"B" IS FOR BRAVE

Working up the courage to do something new is hard. During this workshop students learn how to identify and express emotions and what it means to be brave. This program opens with a story of a little boy who overcomes one of his biggest fears.

Key Performance Standards Met

GELDS: (Pre-K) ED1, SED2, ED4, SED5, PD-M1, PD-M5

Georgia Standards of Excellence: HEK.4, HEK.7, HE1.7, HE2.1, HE2.4, HE2.5, HE3.4

BLUBBER BLAST

Inspired by the book *Commotion in the Ocean* by Giles Andreae, this workshop teaches students about the creatures that inhabit this magical ecosystem and how important they are to our planet. This workshop is loaded with fun facts and culminates with a science experiment that explores buoyancy.

Key Performance Standards Met

GELDS: PDM5, PDM6, CLL1

Georgia Standards of Excellence: S2P1, S3P1, S5P1

MUSEUM ON-THE-GO PROGRAMS

DANCE AROUND THE WORLD

Exploring different cultures through art, music and dance can be so much fun. Join us as we jump on an imaginary jet and fly to faraway places as we explore Dance Around the World!

Key Performance Standards Met

GELDS: APL1, CD-CR2, PDM, PDM3, PDM5, SED1, SED5, APL3

Georgia Standards of Excellence: SSKG1, SS1G2, SS1G3, ESDK.CR.2, ESDK.PR.1, ESDK.PR.4, ESDK.CN.1

GLITTER EXPLOSION

Put on your lab coats and break out the goggles because chemistry just got a makeover! Glitter explosions are super cool and safe experiments that get students excited about chemical reactions.

Key Performance Standards Met

GELDS: PDM5, PDM6, CLL1

Georgia Standards of Excellence: S2P1, S3P1, S5P1

GLOOPY GLOP

Turn your classroom into a bubbling science lab with this exciting interactive workshop. Students will have a blast learning about chemical reactions while conducting a hands-on experiment resulting in a cool concoction called Gloopy Glop.

Key Performance Standards Met

GELDS: CLL4a, CLL4-4d, CLL4.3d

Georgia Standards of Excellence: SKP1, S2P2

MUSEUM ON-THE-GO PROGRAMS

GROWING VEGETABLE SOUP

Classroom gardening has many benefits. During this workshop students will explore the book *Growing Vegetable Soup* to learn all about where vegetables come from and how to grow a plant from a seed.

Key Performance Standards Met

GELDS: PDM1, PDM5, PDM6, CDSC5

Georgia Standards of Excellence: SKE2, SIL1, S2E3, S2L1., S2E1, S2E2, S5L3

HEAD IN THE CLOUDS

The weather is an important part of our daily lives. Students will explore the water cycle and discover what makes those big fluffy patterns in the sky. Older students will learn more about the different types of clouds and what they mean for the weather. Students will watch a real cloud form and will create their own “cloud in a cup.”

Key Performance Standards Met

GELDS: CDSC2, CDSC5

Georgia Standards of Excellence: SKE2, SIL1, S2E3, S2L1., S2E1, S2E2, S5L3

JUNIOR ENGINEER CHALLENGE

Students love building, discovering, and creating things. Inspired by the book *Rosie Revere Engineer*, this workshop gives aspiring engineers the opportunity to create something extraordinary with simple everyday objects.

Key Performance Standards Met

GELDS: PDM5, PDM6, CLL1, CLL2, CLL4, PRM6

Georgia Standards of Excellence: SKP1, SKP2, S2P1, S2P2, MGSEK, MD1, MGSEK.G1

MUSEUM ON-THE-GO PROGRAMS

MINDFUL MOMENTS: BREATHE, STRETCH, LEARN

Classrooms can be a very active and busy place. Join us for this workshop that combines physical activity with social emotional learning. This interactive workshop teaches students how to slow down and be mindful.

Key Performance Standards Met

GELDS: PDM1, PDM3, PDM5, SED1, SED5, APL3

Georgia Standards of Excellence: PEK.1 PE1.1, PE2.1, PE3.1, PEK.4, HEK.4, HEK.7, HE1.7, HE2.1, HE2.5

SUPERHERO FORENSICS

The Superhero Forensics team is looking for new members, but before new scientists can join our forensics team, they must be trained to identify loops, whorls, and arches; the three typical patterns found in fingerprints.

Key Performance Standards Met

GELDS: PDM5, PDM6, CD5C1

Georgia Standards of Excellence: SKP1, S5P1, MGSEKMD.1

BOOKING YOUR PROGRAM

Scheduling a Museum On-the-Go Program

Reservations must be made at least four (4) weeks in advance in order to better your chances of securing your preferred date. Dates sell out quickly. A 50% non-refundable deposit is due one week after the time of booking.

On-the-Go Booking Must Haves

When you are ready to book your On-the-Go program, you should have:

- at least three (3) possible dates selected
- the number of children and classes you want to attend the program
- time of day you would like the program to start

If you are booking an in-person experience:

- You must provide a large open area indoor or outdoors where children have access to tables (classrooms are not an option).
- This space must allow for 6 feet between where Museum team members set up and where students are located.
- Teachers must remain with students at all times.

Changing or Cancelling a Reservation

Call as soon as possible to cancel or change a reservation.

Reservations are held with a 50% non-refundable deposit.

Organizations must cancel within 4 weeks of the scheduled program to apply the deposit to a different date within the same school year.

Rescheduling a program is based on availability.

Cancellations made less than 2 weeks prior to visit will result in forfeiture of 50% deposit.

Forms of Payment

School checks made out to Children's Museum of Atlanta, or credit cards (American Express, Discover, MasterCard and Visa) are acceptable forms of payment. School checks or school credit cards must be used for tax-exempt status.

Call 404-527-3693 or email reservations@childrensmuseumatlanta.org to book your In-Person or Virtual Museum On-the-Go Program!
