PAR 3 POKER GAME

HOW THE GAME IS PLAYED

- Player pulls 3 playing cards from a deck at check-in.
- Your Game Card will be marked by a staff member at check-in and each of the four Par 3s. The max number of playing cards a player may accumulate is seven.
- At each Par 3, if the player's ball lands on the green on the first drive, the player draws another playing card. Staff member at the hole will confirm eligibility and allow player to draw a playing card.
- At the end of the tournament, player will select and record his or her best 5-card poker hand on their Game Card and turn it in outside The Pro Shop.
- Players may not use mulligans on Par 3 holes to draw a new playing card.
