## SCORING

The team score on each hole will be the combined best gross score and best net score while using 80% of the player's handicap. # PAR 3 POKER GAME

---

## HOW THE GAME IS PLAYED

- Player pulls 3 playing cards from the deck at check-in.
- Your Game Card will be marked by a staff member at check-in and each of the four Par 3s. The max number of playing cards a player may accumulate is seven (7).
- At each Par 3, if the player's ball lands on the green on the first drive, the player draws another playing card. A staff member at the hole will confirm eligibility and allow the player to draw a playing card.
- At the end of the tournament, player will select and record his or her best 5-card poker hand on their Game Card and turn it in outside The Pro Shop.
- Players may not use mulligans on Par 3 holes to draw a new playing card.

Winner will receive \$500.
