EDUCATION GUIDE 2026-27

Field Trips, Museum On-the-Go & More

Play to Learn

As Atlanta's premiere destination for learning through play, Children's Museum of Atlanta offers a wide variety of engaging experiences for children ages 2-10.

Led by our trained educators, our programs bring learning to life through hands-on play that sparks curiosity, creativity, and connection. Whether you visit us at the Museum or we come to you, the Museum creates fun, interactive experiences that inspire children to explore, discover, and grow through the power of play.

Upcoming Exhibits

Rotating exhibits offer something new to discover throughout the year.

Fall 2026

Doc McStuffins: The Exhibit

Spring 2027

Amazing Castle

Field Trips

The Museum welcomes field trips for students from Pre-K through 3rd grade.

These self-guided visits give your group the freedom to explore the Museum and learn, play, and discover at your own pace.

We are proud to provide subsidized field trips for Title I schools. Funds are available on a first come, first serve basis.

Ready to start planning your visit?

Head to our website to learn more about field trips, explore options, and book your experience.

Sleepovers & More

Don't see what you are looking for? We offer opportunities for more than just a daytime visit. From unforgettable overnight experiences to more customized trips for your group, we can help create something truly special.

- If you are interested in a more personalized experience, we would love to hear from you!
- Contact our Education Sales Manager, Grace, at gferreira@childrensmuseumatlanta.org to bring your perfect visit to life.

Museum On-the-Go

Museum On-the-Go brings playful, hands-on learning to your classrooms or community spaces. With programs designed to engage ages 2-10, there's fun to discover for everyone!

Led by our professionally trained educators, each experience includes a story time and a guided hands-on activity that sparks curiosity through STEAM-based learning.

Check out our newest Museum On-the-Go programs below!

Visit our website for a full list of programs and additional details.

Healthy Hands

Discover germs and bacteria as children learn how they spread and the importance of covering coughs and washing hands.

Marvelous Maps

Children become intrepid explorers as they create their own take-home adventure map and build navigation skills.

Lights, Camera, Act

Children experience the magic of theatre as they explore the many roles it takes to bring a show to life, both on stage and behind the scenes, and experience the fun of performance!

Colossal Fossils

Children explore fossils, how they form, and what they can reveal about ancient life. Everyone will make their own amber fossil.

Ready to book an On-the-Go?

Visit our website or contact our Outreach team to get started at cmaoutreach@childrensmuseumatlanta.org

A select number of our Museum On-the-Go programs are also available virtually!

Growing Together Workshops

Families build essential life skills like kindness, confidence, communication, and problem-solving while playing! Together caregivers and kids practice big ideas in small, meaningful moments that stick.

These workshops are great for community centers, libraries, play groups and more!

Choose from three workshops:

Berry Beats

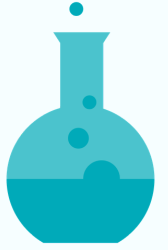

Cooking with Curiosity

Crafting Community

Assembly Programs

Our new Assembly Programs bring the Museum experience directly to your location through interactive stage presentations led by our Education team.

Designed for groups of 150-200 participants, assemblies deliver the same hands-on, curriculum-connected learning as Museum On-the-Go, but on a bigger stage made for moments of discovery, laughter, and play. Perfect for Pre-K-5th grade.

The Rad Scientist

Meet the Rad Scientist! In their lab, music and science collide in exciting, show-stopping experiments.

Weather Wonders

Explore the power of weather in this hands-on science experience about wind, rain, lightning, and thunder.

Play Labs

Bring hands-on STEAM learning to large-scale events through walk-up activities designed for high participation and big impact.

These playful experiences spark curiosity, creativity, and discovery in just a few minutes. Perfect for festivals, school events, and community gatherings, Play Labs make it easy for everyone to experience the power of play.

Scout Workshop Weekends

Bring your scout or troop for a day of play and badge-earning fun! Join us for special workshop weekends designed to spark curiosity, creativity, and confidence through four different hands-on STEAM experiences.

October 17-18

.....
Coding for Good

November 14-15

.....
Craft and Tinker

February 6-7

.....
Robotics

March 13-14

.....
Automotive Design

Scout Sleepover

Our signature Girl Scout Sleepover is back for a second year! Spend a night at the Museum with exclusive after-hours access, hands-on badge-aligned activities, and plenty of time to explore, play, and connect with fellow Girl Scouts. Keep an eye out for next spring's date!

Stay in the loop!

Subscribe to our Scout Newsletter to get the latest information on workshops, events, and more.
